Statement of CPNI Procedures and Compliance

USE OF CPNI

Clearwave Communications (“Clearwave”) does not use or permit access to CPNI to market any telecommunications or non-telecommunications services. Clearwave has trained its personnel not to use CPNI for marketing purposes. Should Clearwave elect to use CPNI in future marketing efforts, it will follow the applicable rules set forth in 47 CFR Subpart U, including, if necessary, the institution of operational procedures to ensure that notification is provided and customer approval is obtained before CPNI is used or disclosed.

PROTECTION OF CPNI

Clearwave has put into place processes to safeguard its customers’ CPNI/call detail information from improper use or disclosure by employees; and to discover and protect against attempts by third parties to gain unauthorized access to customer CPNI.

Although it has never occurred, Clearwave will maintain a record of all instances where CPNI was disclosed or provided to third parties, or where third parties were allowed access to CPNI.

DISCLOSURE OF CALL DETAIL OVER PHONE

Company does not disclose CPNI over the telephone in response to a customer-initiated telephone inquiry, unless the customer can provide the call detail information that is the subject of the inquiry without the assistance of a customer service representative. If it elects to do so in the future, it will follow the applicable rules set forth in 47 CFR Subpart U, including the implementation of authentication procedures that do not require the use of readily available biographical information or account information and customer notification of account changes.

Company has put into place procedures to notify customers whenever an address of record is created or changed without revealing the changed information or sending the notification to the new account information.

DISCLOSURE OF CPNI ONLINE

Company does not disclose CPNI on-line. If it elects to do so in the future, it will follow the applicable rules set forth in 47 CFR Subpart U, including the implementation of authentication procedures that do not require the use of readily available biographical information or account information and customer notification of account changes. Additionally

DISCLOSURE OF CPNI AT RETAIL LOCATIONS

Clearwave does not have any retail locations and therefore does not disclose CPNI in-store.

NOTIFICATION TO LAW ENFORCEMENT

Company has in place procedures to notify law enforcement in the event of a breach of customers' CPNI and to ensure that customers are not notified of the breach before the time period set forth in the FCC's rules, or, if applicable, when so authorized by law enforcement.

Although it has never occurred, Clearwave will maintain records of all breaches discovered and notifications made to the USSS and the FBI, and to customers.
